### New CPIC Requirement **(Canadian Police Information Centre)**

CLMSA CPIC policy requires all team staff to provide proof of CPIC clearance. The RCMP provides this service free of charge to any volunteer; all you need is identification and a letter from CLMSA. Letter is available on our website under the admin tab.

## **Team Information**

The size of our community and registration numbers presents many challenges. In our outdoor season, we have both gender specific teams and mixed teams. The goal for CLMSA is to have gender specific teams at the U13 and above groups. The executive will look at the numbers each season, and plan based on registration numbers.

Dates for upcoming coaching courses, referee courses and volunteer opportunities can also be found on the Alberta Soccer Association website

## **Volunteer Requirements**

Due to the current COVID restrictions, we will not be collecting volunteer bonds this season. We encourage families to volunteer when possible. With current guidelines set out by AHS and ASA, we are required to have 2 coaches for each player group of 8.

League Games- Travel Required

No league games permitted with current COVID 19 restrictions. We will continue to monitor all guidelines and return to games as soon as we are able.

## **Age Divisions**

Please register your child in the correct age group according to the year of their birth. If you have a special request, please register your child in the correct division and email: registrar@clmsa.ca. If requests are not received, your player will be automatically corrected to the proper division based on their age group. Special requests will be subject to review based on registration numbers.
